

Wayne County Resident:

The City of Richmond and Wayne County have a combined 911 system that uses a Computer Aided Dispatch (CAD) system. This system is designed to aid the 911 Communications Specialists by providing emergency responder information and special instruction information provided by the resident.

Please take a few moments to complete, then mail or fax, the information requested at the bottom of this page, we will be better able to serve you and protect your home and family in the event of an emergency. You can also email the form to the address listed below or find a direct link and complete the form online at [www.co.wayne.in.us/911](http://www.co.wayne.in.us/911) and find the 911 information card under the quick links section.

All information provided will be kept strictly confidential and only used in the event of an emergency.

Thank you,

Wayne County 911 Emergency Communications Department
